Obiettivo d'Investimento Dichiarato

L'obiettivo d'Investimento del Comparto è quello di ottenere un reddito a lungo termine investendo essenzialmente in un portafoglio ben diversificato di titoli azionari, caratterizzati da consistenti redditi da dividendi, di società europee. Il Comparto investe almeno il 67% del patrimonio netto in titoli azionari di emittenti le cui principali attività si realizzano in paesi europei, o che sono costituiti secondo il diritto di tali paesi, ivi compresi i mercati dell'Europa emergente, quali Europa dell'Est e Turchia.
