Obiettivo d'Investimento Dichiarato

The Sub-Fund will mainly seek to access the returns available from Emerging Market transferable debt securities and other instruments, with a particular focus on the public sector and private sector corporates, denominated in US Dollars and other major currencies as well as local currencies, including also investing in financial derivative instruments and related synthetic structures or products. The Sub-Fund is actively managed and references JP Morgan Corporate Emerging Market Bond Index Broad Diversified (the "Benchmark") as part of its investment process for the purpose of comparing its performance against that of the Benchmark. The Investment Manager has full discretion over the composition of the portfolio of the Sub-Fund. While the...
