Obiettivo d'Investimento Dichiarato

To provide regular income by investing primarily in a conservatively constructed portfolio of income generating securities, globally, and through the use of derivatives. Multi-asset approach, leveraging specialists from around JPMorgan Asset Management's global investment platform, with a focus on risk-adjusted income. Flexible implementation of the managers' allocation views at asset class and regional level. May vary its allocation in response to market conditions, however will aim to have a higher allocation to debt securities than to other asset classes. Conservatively constructed portfolio, with a volatility comparable to that of the benchmark over a three to five year period.
