Obiettivo d'Investimento Dichiarato

The Sub-Fund aims to deliver a positive return in all market conditions. However, positive returns are not guaranteed. The Sub-Fund aims to achieve its investment objective on a rolling 3-year basis, after fees. The Sub-Fund promotes good environmental and/or social characteristics through investment in issuers that seek to mitigate or avoid practices in certain activities that the Investment Manager deems to be environmentally and/or socially detrimental. This is achieved through the application of exclusionary criteria. At least 50% of the Sub-Fund's Net Asset Value will be invested in securities that meet the environmental and/or social characteristics promoted by the Sub-Fund.
