Obiettivo d'Investimento Dichiarato

The Sub-Fund's investment objective is to provide risk adjusted returns. The Sub-Fund seeks to achieve its investment objective by gaining direct and, through the use of FDI, indirect exposure to Fixed Income Securities. Exposure to Fixed Income Securities will be generated by investment in bonds, money market instruments and other similar fixed interest or variable interest rate securities, including interest rate derivatives and debt securities embedding derivatives, such as convertible bonds (such convertible bonds will embed derivatives but not increase leverage) and contingent convertible securities.
