Obiettivo d'Investimento Dichiarato

The objective of this sub-fund is to generate stable, moderate-to-high income through the active management of a diversified portfolio that is mainly invested directly or indirectly in equities and bonds. To achieve this objective, the sub-fund may dynamically invest in traditional asset classes such as equities (issued by companies operating in both developed and emerging markets), bonds (including corporate and government bonds, high-yield bonds and bonds focusing on emerging markets), money market instruments and/or liquid assets and, to a lesser extent and within the legal framework, other asset classes focusing for instance on real estate (real estate investment trusts - REITs) and infrastructure.
